- (a) Enable the Municipality to exercise its obligations to ensure sufficient cash resources to implement its capital programmed in the most effective manner;
- (b) Maintain debt within specified limits;
- (c) Ensure adequate provision for the sustainable repayment of debt;
- (d) Manage interest rate and credit risk exposure;
- (e) Ensure that all and any occurring of debt by the Municipality are made with great care, skill, prudence and diligence;
- (f) Govern the taking up of short-term and long-term debt according to the legislative framework.

8. LEGISLATIVE FRAMEWORK

8.1 This policy is designed and must be read and implemented within the framework of *inter alia* the following legislation:

- (a) The Constitution;
- (b) Local Government: Municipal Systems Act, Act 32 of 2000, as amended;
- (c) Local Government: Municipal Finance Management Act, Act 56 of 2003;
- (d) Local Government: Municipal Regulations on Debt Disclosure published under GN R 492 in Government Gazette No. 29966 of 15 June 2007;
- (e) Municipal Budget and Reporting Regulations for the MFMA published in Government Gazette No. 32141 dated 17 April 2009;
- (f) MFMA Circular no 49 on Non-payment of Obligations, dated 30 June 2009; and
- (g) all relevant directives and guidelines issued by National Treasury.

9. SHORT-TERM DEBT AND LONG-TERM DEBT

9.1 Short-term Debt:

9.1.1 A short-term debt is a debt repayable by the Municipality over a period not exceeding 1 (one) year.

9.1.2 The Municipality may incur short-term debt only in accordance with and subject to the provisions of section 45 of the MFMA and only when necessary to bridge:

- (a) shortfalls within a financial year during which the debt is incurred, in expectation of specific and realistic anticipated income to be received within that financial year; or
- (b) capital needs within a financial year, to be repaid from specific funds to be received from enforceable allocations or long-term debt commitments.

9.1.3 The Municipality may incur short-term debt only if:

- (a) a resolution of the Municipal Council, signed by the Executive Mayor, has approved the debt agreement; and
- (b) the Accounting Officer has signed the agreement or other document which creates or acknowledges the debt.

9.1.4 For the purpose of obtaining a resolution to incur short-term debt, the Council may:

- (a) approve a short-term debt transaction individually; or
- (b) approve an agreement with a lender for a short-term credit facility to be accessed as and when required, including a line of credit or bank overdraft facility, provided that:
 - (i) the credit limit must be specified in the resolution of the Council;

- (ii) the terms of the agreement, including the credit limit, may be changed only by a resolution of the Council; and
- (iii) if the Council approves a credit facility that is limited to emergency use, the Accounting Officer must notify the Council in writing as soon as practical of the amount, duration and cost of any debt incurred in terms of such a credit facility, as well as options for repaying such debt.

9.1.5 The Municipality:

- (a) must pay off short-term debt within the financial year; and
- (b) may not renew or refinance short-term debt, whether its own debt or that of any other entity, where such renewal or refinancing will have the effect of extending the short-term debt into a new financial year.

9.1.6 No lender may wilfully extent credit to the Municipality for the purpose of renewing or refinancing short-term debt that must be paid off within the financial year. If a lender wilfully extends credit to the Municipality in contravention with the before mentioned, the Municipality is not bound to repay the loan or interest on the loan.

9.2 **Long-Term Debt:**

9.2.1 A long-term debt is a debt repayable by the Municipality over a period exceeding 1 (one) year.

9.2.2 The Municipality may incur long-term debt only in accordance with and subject to the provisions of section 46 of the MFMA and only for the purpose of:

- (a) capital expenditure on property, plant or equipment to be used for the purpose of achieving the objects of local government as set out in section 152 of the Constitution, including costs referred to in sub-paragraph (e) below; or
- (b) re-financing existing long-term debt subject to sub-paragraph (f) below.

9.2.3 The Municipality may incur long-term debt only if:

- (a) a resolution of the Council, signed by the Executive Mayor, has approved the debt agreement; and
- (b) the Accounting Officer has signed the agreement or other document which creates or acknowledges the debt.

9.2.4 The Municipality may incur long-term debt only if the Accounting Officer of the Municipality:

- (a) has, in accordance with section 21A of the Systems Act:
 - (i) at least 21 (twenty-one) days prior to the meeting of the Council at which approval for the debt is to be considered, made public an information statement setting out particulars of the proposed debt, including the amount of the proposed debt, the purposes for which the debt is to be incurred and particulars of any security to be provided; and
 - (ii) Invited the public, the National and Provincial Treasury to submit written comments or representations to the Council in respect of the proposed debt. The Municipality must provide the following information regarding the proposed long-term debt, or any other information as may be determined from time to time by the National and/or Provincial Treasury, along with the above-mentioned invitation for comment:
 - a copy of the abovementioned information statement as required by section 46(3) of the MFMA, containing particulars of the proposed borrowing (debt) instrument;
 - if not already incorporated in the information statement, the Municipality must ensure that the following information is provided in addition to the information statement:

- the amount of debt to be raised through borrowing or other means;
 - the purposes for which the borrowing (debt) is to be incurred;
 - The interest rate(s) applicable (state whether fixed or variable etc.);
 - the planned start and end date (term of instrument);
 - a detailed repayment schedule for the duration of the borrowing (debt) (showing dates and all payments of principle debt and interest, etc.);
 - the total estimated cost of the borrowing (debt) over the repayment period;
 - the type of instrument;
 - the details of security to be provided; and
 - the source of loan funds.
- a schedule of consultation undertaken, including:
 - the date(s) on which the information statement was made public; and
 - the details of meetings, media adverts and other methods used to consult on the proposed long-term borrowing (debt).
 - a copy of the approved budget, and relevant documentation supporting the budget highlighting the asset(s) to be funded by the proposed borrowing (debt) and the revenue to be received. The Municipality must demonstrate that the proposed borrowing (debt) is consistent with its IDP, the capital budget and the revenue is shown accordingly;

- if the borrowing (debt) is for the purpose of refinancing existing long-term borrowing (debt), the following information:
 - a description of the asset(s) for which the original loan was required;
 - the useful remaining life of the asset(s);
 - the net present value of the asset(s), including the discount rate used and any assumptions in the calculations;
 - the net present value of projected future payments before refinancing, including the discount rate and assumptions used;
 - the net present value of projected future payments after financing, assumptions used.
- the Municipality must state what source of funding will be used to repay the loan and specify the revenue stream(s) and whether it is existing stream(s) and whether it is existing revenue or new revenue;
- a schedule of all long-term borrowing (debt) obligations, showing principal and interest payments for the life of all loans and any associated investments set up as sinking funds etc.;
- the Municipality must forward a copy of the Council's resolution approving the borrowing (debt) instrument to the National and Provincial Treasury once approved by the Council;
- a certification for long-term borrowing (debt) must be completed and signed by the Accounting Officer and Executive Mayor and included with the request for comment on the proposed long-term borrowing (debt). This

ensures that the Accounting Officer and Executive Mayor approve the request.

- (iii) has submitted a copy of the information statement to the Municipal Council at least 21 (twenty-one) days prior to the meeting of the Council, together with particulars of:
 - the essential repayment terms, including the anticipated debt repayment schedule; and
 - the anticipated total cost in connection with such debt over the repayment period.
- (iv) The process concludes with a resolution of the Council, signed by the Executive Mayor, approving the debt agreement. Thereafter the Accounting Officer must sign the debt agreement which creates or acknowledges the debt. In considering the debt, the Council must ensure that the long-term debt is consistent with the Municipality's capital budget.
- (v) In terms of section 75(1)(f) and 75(2) of the MFMA, the Accounting Officer must also place the details of all long-term borrowing contracts on the website of the Municipality within 5 (five) days of their tabling in the Council or the date on which they must be made public, whichever occurs first.

9.2.5 Capital expenditure contemplated in sub-paragraph (b) above may include:

- (a) financing costs, including:
 - capitalized interest for a reasonable initial period;
 - costs associated with security arrangements in accordance with section 48 of the MFMA;
 - discounts and fees in connection with the financing;

- fees for legal, financial, advisory, trustee, credit rating and other services directly connected to the financing; and
 - costs connected to the sale or placement of debt, and costs for printing and publication directly connected to the financing.
- (b) costs of professional services directly related to the capital expenditure; and
- (c) such other costs as may be prescribed.

9.2.6 The Municipality may borrow money for the purpose of re-financing existing long-term debt, provided that:

- (a) the existing long-term debt was lawfully incurred;
- (b) the re-financing does not extend the term of the debt beyond the useful life of the property, plant or equipment for which the money was originally borrowed;
- (c) the net present value of projected future payments (including principal and interest payments) after re-financing is less than the net present value of projected future payments before re-financing; and
- (d) the discount rate used in projecting net present value referred to above, and any assumptions in connection with the calculations, must be reasonable and in accordance with criteria set out in a framework that may be prescribed.

9.2.7 The Municipality's long-term debt must be consistent with its capital budget referred to in section 17(2) of the MFMA.

9.3 Conditions Applying to Both Short-Term and Long-Term Debt:

9.3.1 Both short-term and long-term debt may be incurred by the Municipality only if:

- (a) the debt is denominated in Rand and is not indexed to, or affected by, fluctuations in the value of the Rand against any foreign currency; and
- (b) section 48(3) of the MFMA, regarding assets secured required for providing basic municipal services, has been complied with, if security is to be provided by the Municipality.

9.4 Security:

9.4.1 The Municipality may, by resolution of the Council, provide security for:

- (a) any of its debt obligations;
- (b) any debt obligations of a municipal entity under its sole control; or
- (c) contractual obligations of the Municipality undertaken in connection with capital expenditure by other persons on property, plant or equipment to be used by the Municipality or such other person for the purpose of achieving the objects of local government in terms of section 152 of the Constitution.

9.4.2 The Municipality may in terms of sub-paragraph (a) above provide any appropriate security, including by:

- (a) giving a lien on, or pledging, mortgaging, ceding or otherwise hypothecating, an asset or right, or giving any other form of collateral;
- (b) undertaking to effect payment directly from money or sources that may become available and to authorize the lender or investor direct access to such sources to ensure payment of the secured debt or the performance of the secured obligations, but this form of security may not affect compliance with section 8(2) of the MFMA;

- (c) undertaking to deposit funds with the lender, investor or third party as security;
- (d) agreeing to specific payment mechanisms or procedures to ensure exclusive or dedicated payment to lenders or investors, including revenue intercepts, payments into dedicated accounts or other payment mechanisms or procedures;
- (e) ceding as security any category of revenue or rights to future revenue;
- (f) undertaking to have disputes resolved through mediation, arbitration or other dispute resolution mechanisms;
- (g) undertaking to retain revenues or specific municipal tariffs or other charges, fees or funds at a particular level or at a level sufficient to meet its financial obligations;
- (h) undertaking to make provision in its budgets for the payment of its financial obligations, including capital and interest;
- (i) agreeing to restrictions on debt that the Municipality may incur in future until the secured debt is settled or the secured obligations are met; and
- (j) agreeing to such other arrangements as the Municipality may consider necessary and prudent.

9.4.3 A Council resolution authorizing the provision of security in terms of giving a lien on, or pledging, mortgaging, ceding or otherwise hypothecating, an asset or right, or giving any other form of collateral:

- (a) must determine whether the asset or right with respect to which the security is provided, is necessary for providing the minimum level of basic municipal services; and
- (b) if so, must indicate the manner in which the availability of the asset or right for the provision of that minimum level of basic municipal services will be protected.

9.4.4 If the resolution has determined that the asset or right is necessary for providing the minimum level of basic municipal services, neither the party to whom the municipal security is provided, nor any successor or assignee of such party, may, in the event of a default by the Municipality, deal with the asset or right in a manner that would preclude or impede the continuation of that minimum level of basic municipal services.

9.4.5 A determination in terms of sub-paragraph (c) above that an asset or right is not necessary for providing the minimum level of basic municipal services is binding on the Municipality until the secured debt has been paid in full or the secured obligations have been performed in full, as the case may be.

9.5 Disclosure:

9.5.1 In compliance with the provisions of section 49 of the MFMA the Municipality must, when interacting with a prospective lender or when preparing documentation for consideration by a prospective investor:

- (a) disclose all information in that person's possession or within that person's knowledge that may be material to the decision of that prospective lender or investor; and
- (b) take reasonable care to ensure the accuracy of any information disclosed.

9.5.2 A lender or investor may rely on written representations of the Municipality signed by the Accounting Officer, if the lender or investor did not know and had no reason to believe that those representations were false or misleading.

9.5.3 The Minister of Finance, acting with the concurrence of the Minister for Provincial and Local Government, has in terms of section 168 of the MFMA, made the Municipal Regulations on Debt Disclosure, published under GN R 492 in Government Gazette No. 29966 of 15 June 2007, which has been effective from 1 July 2007 (a copy of which is annexed hereto as Annexure "PB1").

9.5.4 In terms of regulation 3 of the abovementioned regulations, the Municipality must when entering into discussions with a prospective lender, other creditor or underwriter with a view to incur municipal debt, otherwise than through municipal debt instruments, indicate in writing to the prospective lender, other creditor or underwriter whether it intends to incur short-term or long-term debt, and:

(a) if it intends to incur short-term debt, whether the purpose of the debt is to bridge:

- shortfalls within a financial year as contemplated in section 45(1)(a) of the MFMA; or
- capital needs within a financial year as contemplated in section 45(1)(b) of the MFMA; or

(b) if it intends to incur long-term debt, whether the purpose of the debt is for:

- capital expenditure on property, plant or equipment as contemplated in section 46(1)(a) of the MFMA; or
- re-financing existing long-term debt as contemplated in section 46(1)(b) of the MFMA.

9.5.5 In terms of regulation 4 of the abovementioned regulations, the Municipality must when entering into discussions with a prospective lender, other creditor or underwriter with a view to incur short-term or long-term debt (otherwise than through municipal debt instruments), make available to the prospective lender, other creditor or underwriter certified copies of:

- (a) its audited financial statements for the preceding 3 (three) financial years together with an indication whether the audit deadline referred to in section 126(1) and section 126(2) of the MFMA has been met;
- (b) its approved annual budget;
- (c) the Municipality's Integrated Development Plan; and
- (d) its repayment schedules pertaining to its existing short-term and long-term debt.

9.5.6 In terms of regulation 15 of the abovementioned regulations, where debt incurred by the Municipality is to be repaid from revenues linked to a particular municipal service, the Municipality must disclose the following information, irrespective of whether the debt was incurred by way of the issuing of municipal debt instruments or in any other way:

- (a) whether the rights of recovery of a lender or investor against the Municipality is limited:
 - to revenues linked to that particular service; or
 - in any other respect;
- (b) particulars of any security provided by the Municipality; and
- (c) operational statistics pertaining to that particular municipal service and any other municipal service that is relevant to the debt transaction.

A disclosure in terms of sub-regulation 15(1) must:

- (a) be contained in the disclosure statement if the debt is incurred through the issuing of municipal debt instruments; or
- (b) be made by written notice to the lender if the debt is incurred in any other way.

9.5.7 In terms of regulation 16 of the abovementioned regulations, the Municipality having incurred debt, irrespective of whether by way of the issuing of municipal debt instruments or otherwise, must provide written notification to lenders, investors and other holders of record of such debt instruments or debt, any designated fiduciaries representing any such lenders, investors or holders, any securities exchange on which the instruments are listed, and the National and Provincial Treasury, as soon as possible after becoming aware of:

- (a) any event which is likely to affect the ability of the Municipality to meet its repayment or security obligations in respect of its debt;

- (b) any failure by the Municipality to meet its repayment obligations on the due date other than non-payment for technical reasons which is remedied within 72 hours;
- (c) any failure by the Municipality to meet:
 - any of its obligations pertaining to security provided by the Municipality; or
 - any other obligation constituting a default as defined for purposes of a debt transaction;
- (d) any new debt incurred by the Municipality;
- (e) the provision of any additional security by the Municipality to an existing creditor; or
- (f) any mandatory intervention by the provincial executive in terms of Chapter 13 of the MFMA.

9.5.8 In terms of regulation 17 of the abovementioned regulations, the Municipality must without derogating from any obligation to make documents available at places set out in a disclosure statement, keep readily available at its main office for inspection, on request of any interested person, copies of all documents relating to a debt transaction or documentation required to be disclosed or made available in terms of these regulations, including:

- (a) any documentation referred to in regulation 4;
- (b) any guarantees, security arrangements or other credit enhancement arrangements;
- (c) all advertisements, notices, resolutions, information statements, disclosure statements;
- (d) annual updates of disclosure statements referred to in regulation 14; and
- (e) any material event disclosures referred to in regulation 16.

9.6 Municipal Guarantees:

9.6.1 The Municipality may not issue any guarantee for any commitment or debt of any organ of state or person, except on the following conditions:

- (a) the guarantee must be within limits specified in the Municipality's approved budget;
- (b) the Municipality may guarantee the debt of a municipal entity under its sole control only if the guarantee is authorized by the Council in the same manner and subject to the same conditions applicable to the Municipality in terms of Chapter 6 of the MFMA;
- (c) the Municipality may guarantee the debt of a municipal entity under its shared control or of any other person, but only with the approval of the National Treasury, and then only if:
 - the Municipality creates, and maintains for the duration of the guarantee, a cash-backed reserve equal to its total potential financial exposure as a result of such guarantee; or
 - the Municipality purchases and maintains in effect for the duration of the guarantee, a policy of insurance issued by a registered insurer, which covers the full amount of the Municipality's potential financial exposure as a result of such guarantee.

10. IMPLEMENTATION AND REVIEW OF THIS POLICY

10.1 This policy shall be implemented once approved by Council. All future borrowing transactions must be made in accordance with this policy.

10.2 In terms of section 17(1)(e) of the MFMA, this policy must be reviewed on annual basis and the reviewed policy tabled to Council for approval as part of the budget process.
